time schedule.

In the national election of Tweeday, November 1, electors of the town of Killingty will have an opportunity to vote by districts. Voters of District No. 1, which includes Danielson, South Killingty, and territory near the horough will vote at the town hall. At Dayville a politing pince will be provided for te veters of the Second district, which included Dayville, Goodyear, Attawaugan, Ballouville and other sections near these villages. The polling piace for the veters of the Third district will be at Bast Killing-br.

question remains one of acute interest.
While some hard coal is being received
here there are many families who have
not received as much as a ton. Orders
are being filled in accordance with the time when they are filed. It is believed that as much as 2,000 tone would be re-suired to meet the needs of the borough. families usually order coal for ming cold weather season.

Internal revenue afficials who have been working in Danielson and surrounding towns for several weeks have gotten in tauch with numbers of firms, organizations and individuals who, for one reason or another, have failed to pay some one of the federal tax assessments levied turing the past few years, in most cases those who failed to pay were nogligent because they did not know the taxes while in other cases failure to pay has been chiefly due to carelassmess—but the revenue man are not interested in reasons—their job is to get the money. Traffic of a heavy nature has so worn the amelaste paving in Main street, es-

pecially close to the car tracks, so as to make the traveling somewhat rough. Little runs worm in near the rails will have to be filled again, as was done about

an anusing tale was heard Thursday a man, carrying two suit cases, who t one of them down outside A store net one of them doyn outside a store while he went in to do some trading. Ity some prescience, a man with a tairst, knowing that to contained grabbed the unattended suit case and made off with it and has not since been seen. The case is said to have contained a great supply of Jamaica ginger.

Mr. and Mrs. Ira D. Martin have returned from a motor trip to Bridgton. Me. Fear which place they own a symmetromy, which has been leased during the minimer season. Mr. and Mrs. Martin visited in Portland and other places in Haine before returning here.

It is thought likely that the case of the state vs. Peter Spanos will come up for consideration in the superior court a Putnam within a few days. Spanos, who is out under bond, by the man who is charged with having written the letter

#### PUTNAM

Whether of hot the electors of Putnam will vote an appropriation for the
purchase of a new motor-driven ladder
track at isday's special tity meeting
depends in great measure on adjustment
of some of the fire department's difficultics, it was stated here Thursday. One
thing is certain and that is that there
is going is bertain and that is that there
is going is be a more than brokening. Many
people are interested in the appropriation matter and the fact that some manisfacturing plants are idle will make it
east for electors to get to the police.

The Westers United Telegraph service is now back on what is considered a normal basis for Danielson, and the indications are that lecal manufacturing and business interests may not be called upon again to protest in the near future about any arrangements that will force them to do business with some other of the company in some other town. Minds of the Alfarangem company is pullage in the northerly section of the town are continuing on full time as is the plant of the Quinebaug plant of this company. These company is also operating on a full time seed they have started to develop plans which would be not increase the company in some of the Quinebaug plant of the Quinebaug plant of the Quinebaug company. These company is also operating on a full time as is the plant of the Quinebaug company. These company is also operating on a full time schedule.

In the name of labelies of Telegraph service of the day and preceding the intesting. Gordon brothers, new owners of the business of the Dayville Grain and Coal company. The passes of the Dayville Grain and Coal company. The Dayville field has seemed a promising one to them, as deem to provide the business which they have started to develop plants which would te nto increase the company is the past five years.

The operation.

At the opening of the session of the business that the Dayville field has seemed a promising one to them, as deemed a promising one to them, as deemed that the same fine as was imposed in the lower court, from the description.
